Mission Statement

The mission of Guy Elementary School community is to work collectively to ensure a safe and cooperative environment, where all children have the opportunity to achieve academically, develop socially, and grow emotionally.

Principal's Highlights

Guy Elementary provides educational opportunities that meet the needs of all students. We have a strong focus on student success in mastering grade-level Nevada Academic Content Standards.

- Accessed District funds through the PASS initiative to purchase a reading intervention program for struggling students in grades K-2.
- Utilized Title I funds to provide after-school tutoring, planning time for data analysis and review of resources to support standards, and purchase additional technology.
- Parent Teacher Association provided homework supplies for all students, organized Missoula Theater, and other monthly activity nights.
- Truancy Diversion Program to support our students and families in the educational process.
- Hosted end-of-year award assemblies for students to recognize attendance, citizenship, and academic achievement.
- Fifth grade Awards Banquet to highlight student achievements throughout the school year.
- Fifth grade students honored along with community dignitaries for mastering the Great American Challenge.
- Eagle Choir and Instrument Ensemble performed at a local nursing home, 51's game, and Opportunity Village.
- Promoted kindness among students using the "Be Kind" program through the Josh Stevens Foundation.

Goals and Objectives

Goal 1

Increase Grade 3 proficiency rates in reading.

Objective(s):

Increase the percent of 3rd grade students proficient in reading from 62.07% to 70% by 2016 as measured by state assessments.

Goal 2

Reduce the overall achievement gap percentage points between highest performing and ethnic/racial subgroups in both reading and math.

Objective(s):

Reduce the proficiency gap between the District's highest performing subgroup and lower performing ethnic/racial supergroup from 10.1 to 9.2 in reading and 17.9 to 15.3 in math as measured by state assessments.

Goal 3

Increase the percentage of school-based personnel trained in cultural competency.

Objective(s):

By April 2016, 100% of staff will participate in mandatory cultural competency training during the 2015-2016 school year as measured by sign-in sheets.

School Communication Efforts

Guy Elementary provides meaningful communication with parents, family, and the community through a variety of methods, including the school's website, flyers, newsletters, Class DOJO, and the school marquee. Flyers sent home to parents inform them of upcoming events at least one week in advance. Additionally, the Guy Gazette (newsletter) is sent out three times per year to inform parents of upcoming events, grade-level information, and school opportunities specific for our school community and site. ParentLink and Class DOJO are also utilized to communicate school activities and Infinite Campus is used to inform parents of their child's academic progress.

Per-Pupil Expenditures 2014-2015

The Nevada Department of Education in consultation with InSite adjusted the formula used to calculate per pupil expenditures beginning with the 2009-2010 Annual Reports of Accountability. Therefore, we have two appropriate comparisons sets; comparisons 2003-04 SY through 2008-09 SY and comparisons of 2009-10 SY and forward.

Clark Total Cost Per Pupil = \$8520 District Total Cost Per Pupil = \$8785
